Dear Interested Catholic,

Thank you for requesting information on LANDINGS, the Paulist program used by parishes and dioceses to invite and welcome back Returning Catholics.

Enclosed please find some general information as well as a 7-minute video. After training over 85 dioceses in the US, Canada and Great Britain, we are told how much pastors and staff appreciate this easy to use program.

However, we do not turn it over without training. So we offer from 6-8 hours training for as many people as a parish would like to send. Usually, the workshop is held on a Saturday from 10:00AM to 3:30PM. Please let us know if you and several parishes or your Diocese would be interested in a workshop, after you review the enclosed material.

Thank you for your interest in this wonderful ministry of Reconciliation called Landings.

Gratefully,

Joan A. Horn, Coordinator
